

Transit Assistance Program (TAP)

www.metrotransit.org/tap-riders

*The TAP program makes public transit more affordable
for low-income residents in eastern Carver County.*

Once qualified, riders can use a Metro Transit **Go-To card** that allows access to a \$1.00 fare for a full year. This transit service is available for residents requiring transit in Carver, Chanhassen, Chaska and Eden Prairie — locations in which SW Metro Transit drives. Riders can easily add money to their TAP card online through Metro Transit or using a mobile app.

4 Simple Steps to Enroll

- State of MN EBT Card
- WIC ID Folder
- Metro HRA Family Report Summary
- HRA Payment Verification
